## PRASHANT GROUP

PRASHANT GROUP, established in 1975, is one of India's prominent and fast growing Textile Machine manufacturing companies. The Group has co-operations with leading European and American textile machine manufacturing companies which bring an edge in updated technology and enhancement in product profile.

### **Vision**

Helping Global Textile Weaving Industry in achieving highest level of Quality, Productivity and Cost-efficiency by providing machines & equipments with futuristic & world-class technology at appropriate prices.

### **Quality Policy**

Understand our customer's needs and then to provide products and services of the highest possible standards, to meet or exceed our customer expectations of quality, safety, reliability, service backup and overall performance.

Implementation of effective Quality Management System and product quality continuously by focusing on manufacturing related critical processes which add value product performance.

### **People**

The company's greatest source of strength and inspiration lies in its manpower. The company's dedicated and professional staff is focused on design innovation, operational excellence and above all customer satisfaction.

**PRASHANT GAMATEX PVT. LTD.**

Robotic Sectional Warper, High Speed Sectional Warming Machine & Creel, Beam to Beam Rolling Machine, Sizing Winder initiated under Technical Collaboration with GAMATEX s.r.l., ITALY

**PRASHANT WEST POINT MACHINERY PVT. LTD.**

State of the art Sizing Machine, Warming Machine, Denim Preparation, Poly Beamer with Unrolling Creel, Indigo Rope & Slasher Dyeing Range, Direct Warper for Warp Knitting, Filament Sizing, Beam to Cone Winder initiated under Joint Venture with WEST POINT, USA

**PRASHANT FERBER LOGISTICS AUTOMATION PVT. LTD.**

Complete range of Motorized and Manual Warp Beam Handling System, Computerized Vertical Beam Storage System, Cloth Roll Storage, Inspection Machine, Batching Motion under Joint Venture with FERBER s.r.l, ITALY

**PRASHANT TEXMACH PVT. LTD.**

Complete range of Narrow Fabric Machinery and Continuous Dyeing and Finishing Machine for Tapes and Ribbons
